

## Dynamic Management of Diabetes

July 27, 2018 | 8:00am to 4:00pm

Hyatt Regency Indianapolis - Vision Room

One South Capitol Avenue

Indianapolis, IN 46204

This one day diabetes professional education program - designed for physicians, nurse practitioners, physician assistants, certified diabetes educators, and pharmacists - utilizes a unique, hands-on curriculum delivered in a participant-centered learning environment. The Johnson & Johnson Diabetes Institute (JJDI) is pleased to bring this program to Indiana.

### Our Program Experience Includes:

- Driving optimal patient outcomes with technology
- Innovative teaching techniques
- Simulation of life with diabetes
- Interactive patient cases and pattern management
- Establishing therapeutic patient/provider relationships
- Current recommendations in behavioral health
- Making advanced recommendations based on CGM data

### JJDI Program Faculty:

- Susan Williams, MS, RD, MD, FACN, FACP, FACE
- Robert Zimmerman, MD, FACE
- Mary de Groot, PhD
- Jerry Meece, BPharm, FACA, FAADE, CDE

**To Register** or if you have questions, email [info@jjdi.us](mailto:info@jjdi.us)

**This program is sponsored by JJDI and there is no fee for you to attend!**

Certain state and federal laws require pharmaceutical, medical device and other companies to disclose expenditures provided to physicians and other healthcare professionals. The Johnson & Johnson Diabetes Institute, LLC may report information about such expenditures, including the value of the meals provided in connection with the program, as required by law. Once reported, such information may be publicly accessible.
